

Construction Clean Up Agreement and Disclaimer

THIS AGREEMENT is made this _____ day of _____, _____, by and between _____ and **Mountain View Window Cleaning**.

Mountain View Window Cleaning agrees to provide “construction cleanup” type window cleaning services in exchange for the agreed upon sum of \$_____. due and payable at the completion of the job.

Disclaimer

Mountain View Window Cleaning and its employee’s or subcontractors use industry approved cleaning procedures including scrapers and steel wool to clean windows requiring “construction cleanup.” However, there are a number of ways windows can become scratched:

1. During Construction glass often gets scratched and then covered with paint, stain, stucco, and other materials that hide the scratch until cleaned.
2. Concrete, Stucco, and other materials can scratch glass while being cleaned.
3. Poor quality Heat Treated/Tempered Glass may contain debris from the time of fabrication that can scratch glass.

We take care not to damage your glass. Nevertheless, the reasons above make it difficult and inherently risky.

With respect to the above paragraph, it is agreed by the undersigned, while performing “construction cleanup” on your windows, **Mountain View Window Cleaning** (employees and/or its subcontractors) **WILL NOT be held liable or responsible for any damage or scratches found on these windows or window frames.**

By my signature below I understand and agree to the terms of the agreement and to the waiver of liability above. Furthermore, under penalties of perjury, I am either: the property/building owner, general contractor, and/or authorized to sign on their behalf.
